

DARIAH's Board of Directors is looking for a new member (0,5 FTE)

DARIAH, the Digital Research Infrastructure for the Arts and Humanities, is a European research infrastructure, which aims to enhance and support digitally-enabled research and teaching across the arts and humanities. DARIAH's mission is to empower research communities with digital methods to create, connect and share knowledge about culture and society. We maintain an infrastructure that supports researchers working in the diverse communities of practice known as the arts and humanities to build, analyse and interpret digital or hybrid resources. DARIAH was established as a European Research Infrastructure Consortium (ERIC) in August 2014 and is one of the Landmarks on the Roadmap of the European Strategy Forum on Research Infrastructures (ESFRI). In 2024, the consortium is composed of 22 member countries, as well as many cooperating partners across 10 non-member countries.

The Board of Directors is the executive body of the DARIAH ERIC and its legal representative. It is composed of 3 members, each working on a part-time basis (0,5 FTE). We are looking to appoint a new member of the Board of Directors from **1 September 2024**, who will work closely with the two other existing directors. Applicants for this position should be:

- an active researcher with significant experience in the application of digital methods to arts and humanities research and a good understanding of what a research infrastructure entails.
- an inspirational leader, with a proven track record of managing national and international organisations or projects.
- a flexible and gifted communicator, able to advocate for DARIAH's interests across disciplines and countries, with scientific, political and general audiences.

Role of the Board of Directors

The Board of Directors is appointed by, and accountable to the General Assembly, the representative body of all member countries. The role of the Board of Directors is to provide leadership, to devise and implement the strategy of DARIAH, to represent the infrastructure at European and international level and to supervise the projects and operations of the consortium. The Board is advised in its missions by various governance bodies such as the Senior Management Team, the Scientific Board and the Joint Research Committee. Moreover, the Board is supported by the DARIAH Coordination Office, which is composed of 12 people carrying out the daily tasks of the infrastructure. Further details about the DARIAH ERIC organisational structure can be found at:

<https://www.dariah.eu/about/organisation-and-governance/>

The responsibilities of the Board of Directors are:

- To provide leadership for DARIAH ERIC
- To set up and implement strategic objectives, directions and activities in accordance with the will of the General Assembly

- To be the legal representative of DARIAH ERIC, i.e. signing all contracts, agreements and other binding documents
- To represent DARIAH ERIC before all European, international and national authorities and courts and function as its primary contact
- To ensure the availability of adequate financial resources and prepare the budget
- To contribute to the growth of the organisation by acquiring new members and partners
- To report DARIAH activities to the General Assembly
- To oversee the management of the DARIAH Coordination Office
- To monitor DARIAH ERIC's performance in relation to its strategic objectives
- To enforce the Statutes and the Internal Rules of Procedure and Policies
- To oversee the preparation of the Annual Report
- To supervise the Senior Management Team

The three members of the Board of Directors are recruited to ensure diversity and complementary skill sets in the leadership of the ERIC. Profiles of the current directors can be found here:

Decision process

DARIAH ERIC is an equal opportunities employer and is committed to use employment policies, procedures and practices which do not discriminate on grounds such as gender, marital status, family status, age, disability, race, religious belief, sexual orientation or membership of the travelling community.

Moreover, DARIAH ERIC is committed to offer a gender-sensitive work environment and to overcome barriers due to discrimination and gender bias.

A search committee composed of members of the General Assembly and members of the Board of Directors will review the applications using criteria common to all applicants. There are five of them:

- Scientific/technical experience relevant for DARIAH
- Ability to represent DARIAH and networking skills
- Strategic thinking, planning and implementation

- Management experience in similar fields/projects (human resources, project management, finance, legal, etc.)
- Capacity to maintain good relations with the existing members and partners and to open up memberships for other countries

Short-listed candidates will be interviewed by the search committee between **6 and 28 May 2024**.

Please note that we will inform unsuccessful candidates as soon as possible after the decisions of the search committee.

Terms and Conditions

A director is appointed for a term of three years, renewable once.

An envelope of €64,441 (with an annual increase of 2%) is available per year to fund the director's contribution (0,5 FTE) to DARIAH. It is anticipated that DARIAH directors will be seconded from their home institution but in exceptional circumstances a direct contract with DARIAH ERIC can also be considered.
